**CCARC received \$5,000 from the Farmington Bank Foundation this month to help fund their Personal Enrichment and Education through Respite Services (PEERS) Program. This program has been in existence for over 35 years and offers socialization for adults with disabilities through community activities. Favorite activities include dining out, movies, shopping, arts and crafts, and sports. All of these activities help enhance each individual's life. Importantly, the relief from care provided by PEERS gives critical free time to caregivers. And, the influx of money into the community is greatly appreciated by local businesses!**

**CCARC is central Connecticut's leading non-profit dedicated to helping people with disabilities. It was founded in 1952 and is committed to providing personalized services to people with disabilities to help make their dreams happen. For more detailed information about the services CCARC provides or how to support the organization, please contact Anne Ruwet at 860-229-6665. Additional information may be found at [ccarc.com](http://ccarc.com).**
