PRESS RELEASE

CCARC Holds Flag Day Celebration!

A Patriotic American!

CCARC held its annual Flag Day Celebration inside this year because of the wet weather outside on Friday, but that didn't dampen their enthusiasm! About 100 staff and individuals got together to honor our great nation. They learned about the history of the flag, sang patriotic songs and finished the celebration with red, white and blue popsicles.

CCARC is central Connecticut's leading nonprofit dedicated to helping people with disabilities. It was founded in 1952 and is committed to providing personalized services to people with disabilities to help make their dreams happen.
